

{An Elementary School Student in Love I}

A Child Loves Her Teacher A Love Comedy

私屋カヲル

Ain't she  
be careful  
now!

Sensei  
is coming  
in now

Just  
that kind  
of people  
are those  
who go to  
school!

Hey!

Who's the  
printer  
in here...

五・七・五

おー ☆

From  
page 83 of  
the  
textbook.

Today  
we will  
practice  
writing  
haiku using  
the 5-7-5  
structure!

This is  
our new  
teacher  
Oshichi.

He's serious  
and kind of  
fun is  
Full-blooded-hen  
to him

Now,  
write a  
rough draft  
of your  
haiku in the  
shape of old  
reelby using the  
5-7-5  
structure.

I took  
a liking  
to this  
right away.

おんち ☆

When I  
first saw  
him...

Aww,  
he's  
cute.

What a  
cute  
boy!

What a  
cute  
boy!

I'm Aoki  
Shiraki.  
Nice to meet  
all of  
you!

Oh

What are you still doing here!

to that too?

Oh dear, we're leaving now!

But I still need to return the attendance book!

But I just need to return the attendance book...

I know me, Principal.

Just be careful on your way back now.

The  
Principal's

Sensei!

Can  
we  
talk?

Well...  
you know...  
**THAT**  
way?

Kokorobe

Just  
because  
I'm a girl  
right now

The way he  
touched  
my head  
was just  
so... weird

**NO!**

But isn't  
it natural  
for  
someone  
to just  
touch a  
child's  
head?

Heh...  
How  
near is  
weird?

If it is,  
then I suggest  
you stop before  
I really get  
mad.

is this  
another one  
of your  
tricks  
to try  
get my  
attention  
here?

Well, it's getting kinda late now. I'll should be heading back.

Just because "I'm a kid"

right?

Hey! Are you busy?

I'll go.

Ah, I'll pass.

Hey,  
I want to come over to my house today!

Fuck You はい、さ  
She has a lot to clean up.

Huh?

But the sick bag's already closed.

Now a 10  
piece of  
human  
brain has  
been taken  
out...

To  
Asa-  
series,  
I proved  
to you  
photographic  
evidence  
of that  
behavior  
several  
children

!?

I'm  
the  
principal  
here!

That  
professor  
must  
be  
wrong!

That's  
right!

Y-You  
told  
me so.

But  
does  
that  
mean  
you  
can  
take  
off  
my  
parcel?

Why?  
Why  
you  
told  
me...

You  
and  
you  
weren't  
feeling  
good  
and  
I  
just...

Anti-  
social

You're  
just  
a  
child  
here  
and  
nobody...

HA  
HA  
HA  
HA

...nobody  
will  
believe  
a  
word  
you  
say!

《Angel? Devil? Or maybe even...God?》

No it  
isn't!

Panchira

Join Panchira  
around your school,  
although she's usually  
looking around by  
herself using the stolen gun  
(great) and then  
(background)

Good  
girls or  
bad girls  
it's still  
such a  
difficult  
one to  
deal with.

★ Pan and Chiratsu... together they really do make Panchira!!

For

Don't forget to bring the paper with you during the checkup

The school will be conducting physical exams

So, just like it says

さし  
こどものじかん【第2話】

They're only 9, after all...

...chest...

Height

Height, weight, next...

You said measuring my breasts would make them bigger!

Liar!

This is awful. If forced to line up nude, having to have our chests measured

We're being prohibited!!

You're blowing things out of proportion here

That wouldn't make any difference for a 9 year old!

We are probably here what, 10 minutes?

A girl's treasure must be her chest

Also-then you were the first to start wearing a bra, is that right?

...right

Um...  
um...

...they want to know why this information is so important

and the only answer I have is...

Teeth, eye height, chest...

The kids are all asking the same thing.

Well, there is another reason for the physicals, Aoki-Sensei.

There is

...because the government says they need it.

Signs  
of  
abuse?!

...you  
know...

It gives us  
the  
chance to  
check their  
books for...

...scams,  
marks,  
burns...

Mini-  
chan...?

!!

Who did it to you?

It's Dear Shem's fault!!

Really, it's nothing!!

What was that?

Nothing...

Just please...

Keep this a secret...

Is she being picked on no, that's not it, then why?

Could her parents be abusing her?

キ  
ー  
ン  
ン  
ン

But  
why?

Stop!

Urar...

I thought  
you weren't  
interested...

...  
about  
seeing  
me  
naked?

If...

...only  
I were  
older...

It wouldn't matter that I'm in love with...

...they all  
expected  
me to be  
such a good  
little girl.

But the  
teachers,  
and my  
parents...

I really  
didn't  
want to  
do it.

I had to keep  
my feelings  
bottled-up  
inside.

The cut  
was  
so small.

But then  
it got  
infected, and  
the wound  
started to swell,  
and...

Until I  
couldn't  
take anymore,  
and I did the  
horrible  
thing.

You...

Don't underestimate my skills because I'm in elementary school

A little face wash, some computer foundation, powder, and there you have it

Awesome work, Kurio-chan!!

Oh... Bessel... she check list.

Did I miss anyone?

Thanks,  
Lia.

You're  
always  
helping  
me out,  
whenever  
I need  
something.

1/30  
h~

Y-You're  
welcome.

Hey,  
wait  
up!!

I'll see  
you  
all back  
in  
class.

Why should children be the only ones getting examined?

Phew!!

Just what, what are you...

Take. E. OFF.

Take. E. OFF.

I suggest you take responsibility for this situation, before I report the school for its gross human rights violations.

Alright, alright already, I get it physical too, OK.

Take. E. OFF.

It's probably just me!

Hey, I'm done

Is it me or are elementary school girls really hard to deal with?

I seriously underestimated Kokoro on this one.

But what are her measurements?
